WHY CONTRACT OUTSOURCING?

Flexible Staffing Model

Contract staffing is increasingly becoming popular among businesses for its efficient and effective practice.

- Access to the best-in-class knowledge and adapting to the ever-changing market strategies
- Increase the resource mobilization for other core areas of business
- Ramp up and scale down resources to meet business needs
- Easier monitoring project P&L and keeping up with the HR resources

Supporting the Rapid Expansion of Business

“Hiring of contract staff with the help of a Staffing company can shorten the time-consuming recruitment process, in return, optimizing resources and increase productivity.”

- 6hrs will assume the role of the employer and administer all compensation & benefit (including Insurance & medical) of the contractors upon hiring of the contractor.
- Shorter staff deployment period to meet “The Peak” or New Projects.
- Avoid over-staffing issue.
